Joke Corner:

Buick will introduce 2 new warning lights for their cars!

One to tell you that you need a new engine and the other to tell you that you need a new car.

If you want to be a Buick engineer, your memory needs to be perfect.

You have to recall everything

A very rich snail slided into a Buick dealership...

...and said, "I want your most expensive car."

The salesman said, "Very well sir. Is that all?"

The snail said, "No. I'd like it to have a custom paint job." The salesman said, "Yes sir.

What do you want the car to look like?"

The snail said, "I'd like every door painted

with a large letter S." The salesman said, "May I ask why, for reasons of curiosity?"

The snail said, "Because when I drive down the street, I want every single head to turn, and for them to all say: 'Look at that

S car go!'"
